

Magnolia Historical Society Presents

RAFFLEMANIA!

On Facebook ONLY! November 15-December 15

ANYONE CAN PLAY!

ANYONE CAN WIN!

November 15- December 15, the Magnolia Historical Society will be hosting our Annual Auction/Raffle Fundraiser. Normally, we would host a party to draw our raffles, but times have changed.

This year our entire fundraiser will be online! We're asking for your help gathering items to raffle off to raise funds to restore the beloved little red schoolhouse. HOW YOU CAN HELP → We are looking for gift certificates, gifts of any sort, fine antiques, artwork and other auction items of monetary value to help us meet our goals. Last year, you helped us raise over \$5,000 and we put that money to good use! It was used to insulate and complete front classroom walls, install a new center wall. And, we were able to install the famous Hodgson Kennard & Co Jewelers Safe from Lexington Ave, once robbed of \$400,000 worth of jewels in the 1930's by culprits that were never detained—come see this piece of history!

This free event will be hosted on **ONLY our Facebook page "Magnolia Historical Society Inc."**.

Businesses and individuals who donate will have their names featured and promoted on our Facebook page prior to and during the event. We will go Live every week to Spin the wheel of chance for everyone to enjoy in real time.

Your donation is appreciated and tax deductible to the extent allowed by law under non-profit# 22-2619953.

If you have any questions, please contact Chairwoman Eileen Kelley at 978.337.6369, or Lisa Ramos at 978.290.3005.

We appreciate all you can do to help.

Sincerely,

Lisa Ramos President, Magnolia Historical Society
