

Magnolia Farmers Market Vendor Application

Join the Magnolia Farmers Market, *be a part of this spectacular weekly event!*

Every Monday we host local farms and businesses to cater to the growing needs of our community.

Magnolia has experienced a population growth and with its locality to Manchester by the Sea, Beverly Farms & downtown Gloucester, consumers love to shop the Monday market.

The Magnolia Historical Society hosts this event; we are a non-profit organization focused on community betterment, historical preservation, strengthening economic bases & providing strong social networks.

- Farmers Markets provide a place to enjoy an outdoor walk *while* getting needed groceries & local goods
- a place to meet neighbors, have fun, enjoy family time, chat, etc.
- an opportunity for neighbors to support local businesses
- provides a better variety of local foods & goods: organic foods
- provide an opportunity to shop for local goods & services from local vendors like you!

Individuals favor farmers markets as a way to personally contribute to their community.
